

# Organic Agri-nutrition Trainers School

Offered by Life Harvest Network and YWAM Chico, CA

## **What is it?**

This school trains trainers to use Organic Agriculture, Nutrition and Natural Medicine as transformational tools to change lives, communities and nations by providing the health that God intended for and from His Creation. It is all about gaining insight into God's character and ways to look at His creation and see how He has designed it to be not only sustainable but abundance no matter where we are on the planet. It is about recognizing that God placed resources wherever we are and using the creative imagination that He has given us to use these resources to build real wealth as defined in His Word.

## **What is covered?**

Topics to be covered include permaculture, food forests, creation care, Biblical worldview, changing the cultural mindsets that hinder abundance, body systems, nutrition, natural medicine, bio-intensive agriculture, reversing desertification, water and sanitation, dryland agriculture and more.

## **Who can come?**

As a second level course, we highly recommend having completed a YWAM Discipleship Training School but this course may be counted toward certificate credit even if DTS is not done prior to this school. Those with a heart to see true transformation come to the relief of the poor around the world may apply.

## **Where?**

YWAM Chico, CA

## **What to expect.**

Our speakers and trainers will be imparting a wealth of knowledge gained over years of experience. However, it is not about the knowledge that is gained but the understanding

and wisdom to put it into practice in ways that bring transformative change in individuals and communities that begin changing nations. Each day there will be time to interact with the teachers and trainers in practical application in the field. The impact of these practical times will change the way we see the world. We will also be sharing what is learned in nearby communities. During the outreach phase you will share your newfound skills in other nations.

We will live together as a community during this time and be putting into practice the training we are receiving. We will be eating the food we grow and learning new ways to provide all that our body needs to be healthy as God intended.

The lecture phase of the course begins February 25, 2015 and runs through May 21, 2015.

*Isaiah 61:1-4 The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; 2 To proclaim the acceptable year of the LORD, and the day of vengeance of our God; to comfort all that mourn; 3 To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, that he might be glorified. 4 And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolations of many generations.*

**Col 1:20** *And God was pleased for him to make peace by sacrificing his blood on the cross, so that all beings in heaven and on earth would be brought back to God.*
